Gentlemen

Some time ago I noticed your "add" in the Numismatist that you had medals for sale

My Hobby is Washington and Commemoration medals and want to purchase more of them

I would be pleased if you would send to me a list of what you have for sale

Yours

Mr. E. C. Kohler,
199, Franklin Street,
Holyoke, Mass.

Dear Sir:

I am very glad to respond to your letter of December 1st, and under separate cover I am mailing you a copy of our Historical Sketch, which lists some of the medals published by our Society.

Our most recent issues were commemorative ones, the lasf commemorating the Tercentenary of Manhattan Island, and that preceding it celebrating Paul Revere's Ride. You will note that there is a Washington medal - a very early and not very impressive one.

If you would call at our Museum when you are in New York, it would give me great pleasure to place before you the portions of our collection which would be of interest to you. I trust we may see you here at your convenience.

Yours very truly,

Secretary.
